We're Hiring!  
Join Our Team.

Dear Kent

The **Mack Road Partnership** (MRP) is hiring. We require a full time supervisor and a small team of part time maintenance experts responsible for keeping the business district clean, neat and graffiti-free. If you, or someone you know, have a strong back, a level head and a good heart, read on. We're about to tell you what our dream candidates look like!

We want go-getters. We have a lot of fun around here and people like us. We earned our stripes by working really hard and we ask for and expect the best out of everyone we work with. We keep our promises and we live and die by deadlines. Sometimes we have tight ones, and that means sometimes we put in an evening or the occasional weekend. We understand that we are only as good as our last job and that our word is our bond. We deliver value for our property owners every day. If that's going to be a problem or if you prefer to coast, these jobs may not be a good fit.

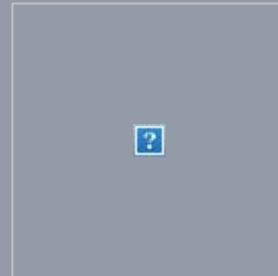

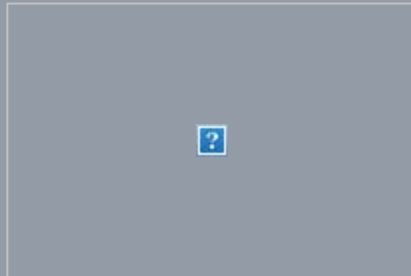

Perhaps most importantly, we want individuals that will think of this business district as their own front yard and our property owners and businesses as family. You should have a deep, abiding hatred for litter, weeds and wayward sofas or mattresses. Dirty windows, grungy sidewalks and graffiti tags should horrify you. Our

little piece of the world may not be big - only 2.7 square miles - but it's **OURS** and we want every inch of it to gleam.

We're looking for three excited people looking to make a difference. If you're our sort of person, click on the links below and apply.

## About The Mack Road Partnership

Formed in early 2011 and driven by a board of directors made up of forward thinking leaders in the community and an exceptional management staff, the Mack Road Partnership (MRP) is changing the landscape and bringing new life to the Mack Road corridor. Since its launch, the MRP has been instrumental in helping new businesses discover the opportunities on and surrounding the Mack Road corridor and building a bridge between area residents and local business. A focus on safety, reduction in gang activity through community involvement, and business growth is making a positive impact on the quality of life for residents and business owners.

We are an equal opportunity employer and we maintain a drug and alcohol free work environment. Any offers of employment will be contingent on the applicant passing a criminal background check, including fingerprints and a drug test, providing documentation of legal citizenship or ability to work in the United States, a clean driving record and a valid California driver license.
